Key focus areas:

**1**

Individuals and  
communities achieve  
positive outcomes  
through engagement  
with SASS.

**2**

Engaged sector that  
understands and acts  
collaboratively on key  
challenges and issues  
relating to sexual  
trauma.

**3**

SASS has a  
sustainable future.

**4**

SASS demonstrates  
expertise and  
influences decision  
makers.
